Re: CC Docket Nos. 01-338, 98-147, and 96-98

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, the Competitive Telecommunications Association ("CompTel") hereby gives notice that on January 17, 2003, its representative spoke, via teleconference with Daniel Gonzalez, Senior Legal Advisor to Commissioner Martin. On our call CompTel reiterated the importance to competitive carriers that the Commission, in large part, continue to ensure that competitors have access to all of the current UNEs, including the high frequency portion of the loop, high-capacity loops and transport, switching, and dark fiber. CompTel also encouraged the Commission to eliminate restrictions on the ability of competitors to provide any service using a UNE that the ILEC can provide over the same facility.

Representing CompTel in this meeting was the undersigned attorney.

Sincerely,

/s/

Jonathan D. Lee
Vice President,
